Notes

Today was my birthday, I went to home today to celebrate. I went to university from home directly and went home again directly.

was in good mood, went shopping, and enjoyed my stay at was feeling okay, had to go

university tomorrow, went
was in my pg from home, so not

very excited

Energy level low, as to many

breaks in between classes, so
very bad day, too many breaks

after just one class had to come

Nothing un-ordinary happened,
day went as usual

Day went as usual

Today we had no classes, so was

good day to spend to recharge

Enjoye the day without doing

anything
Feeling a little bit tired, did dinner

Feeling a little bit tired, did dinner

late due to electricity cut off till 10
Felling a little tired and had an

Feeling better then yesterday as I

Was feeling Good as I was going

Was Raksha bandhan, so was

Was feeling good at home, so

Feeling good, but reluctant to go

Felling not good after returning

Feeling little tired after attending

Too much break after just one

Day went as usual

was excited to go home

Did some things in the home and

went to market to get some

day went as usual

Boring day, too much break

day went as usual

did not go to classes due to power

The day went as usual, nothing

Studied for my Analytical subject,

Moved to a bigger upper-floor

was not feeling well

Day went as usual, little bit

Little stressed about analytical

Stressed about upcoming

Feeling anxious about CA

Test and two classes, felt low and

went shopping today

Boring day
